A close-up photograph of a light-colored wooden surface. In the upper left foreground, a single diamond ring with a large, brilliant-cut central stone and smaller stones on the band is visible. In the upper right background, a portion of a silver pen with a clip and a small circular emblem is visible. The overall lighting is warm and focused on the center of the frame.

A screenshot of an e-commerce website's payment page. At the top right, there is a language selection dropdown set to 'English' and a currency indicator showing '€ 32.50 EUR'. Below this is a dark blue header bar with the text 'ORDER OVERVIEW' on the left and the total amount '€ 32.50 EUR' on the right. The main content area has two sections: 'PLEASE SELECT A PAYMENT METHOD' and 'CREDIT / DEBIT CARD'. Under 'CREDIT / DEBIT CARD', there are fields for 'First name' (with 'Optional' text to its right) and 'Last name', both containing the names 'John' and 'Doe' respectively, each with a green checkmark icon. Below these fields are input fields for 'Card number' (showing a masked card number 'XXXX-XXXX-XXXX-XXXX-XXXX XXXX') and 'CVV' (showing a masked CVV code 'XXX'). Below the card number field is a row of logos for various payment networks: American Express, Bleue, UnionPay, Diners Club, Discover, Hipercard, JCB, Maestro, MasterCard, UATP, and VISA. At the bottom of the page are dropdown menus for 'Valid until' (Month and Year), and two large buttons: a dark blue 'Cancel' button on the left and a green 'Submit' button on the right.
